SANUR SCOOP

BEST KEPT SPA SECRET

Did you know that Sanur is host to one of the most respected spa training school in the region? Founders of Bali BISA (Bali International Spa Academy) opened their school more than a decade ago, with the original intention of providing international standard spa training for the Indonesian market. Ironically, over time the school has become a premier destination for international student – both those entering the profession and any spa therapists lacking or wanting to extend their accreditation.

Graduates of the latest three-month CIBTAC accredited program – assessed by a judge specially flown out from England – Came from Australia, New Zealand, Japan, Indonesia and France. Student can stay on site at homestays next to the spa school in Jl. Sekuta Sanur. For inquiries and enrolment, phone 0361 281 289. W. www.balibisa.com
