[EVENT] BASIC SPA THERAPIST TRAINING BY BALI BISA, OCT 14

IN INDONESIA / BY PATRICEA CHOW / 25 SEPTEMBER 2013 / 0 COMMENTS

Tired of trying to find that elusive 'total relaxation' massage? Why not train your staff, or even yourself, in the basics of administering a massage?

Bali BISA spa and massage school is conducting a 12-week **Basic Therapist Training** that begins on October 14.

Besides practicum in a range of body treatments like traditional, warm stone and Swedish massages, facial, and waxing, participants will also study theoretical information such as health and safety, skin structure and analysis, disease and skin orders, guest relations, hygiene, and more.

Lessons begin at 9am until 5pm. At the end of the course, participants have to take both a **Bali BISA** and an Indonesian government examination. The **Basic Therapist Training** course costs US\$2,520 and there is a 30 per cent discount for Indonesians. Book your space before September 30 and receive a 10 per cent discount on course fees.
