

Hi from Penny,

I want to update all students who have been patiently waiting for our International Borders to open. The government are now saying it could be **July 2021** **We are all very excited and really hope this will happen.**

Bali BISA and the team have prospered since June 2020 thanks to our newly created online courses. Over the year I have been able to add many more.

BISA, ITEC, VTCT CIBTAC. And our very own CIBTAC Endorsed Courses.

There are now many choices for you to enjoy learning new modalities for your future. Whether for fun and enjoyment, expanding your portfolio, or wanting a career change.

Added Benefits:

1. These courses are all highly discounted due to the theory being done as home study.
2. The practical elements being done in school. All you need to do is decide how many days you would like to join us in school:

*Daily rate is US 50.00 per day. This will be paid on arrival
Taking away the worry of possible flight cancelations etc.*

This Includes:

- All products required for your training.
- All linens required for your training.
- 9:00am – 9:30am Meditation and light yoga stretching.
- A dedicated Tutor working with you from 9:30am – 12:30pm Lunch break 30 minutes then back with your Tutor 1:00pm – 4:00pm (Short 15mins break during this time dependent on you finishing your client.)
- Clients for you to work on.
- Final practical exams
- Certification
